

OYSTERMOUTH PRIMARY FUN CLUB

Oystermouth Primary School provides a Full Day Care Service for children in the local area, even if they attend other schools. We are CIW registered and provide families with child care from 8am to 5:30pm every day. We accept children from the age of 2 onwards.

We take on board the Foundation Phase approach and work closely with the teachers at Oystermouth Primary School. The indoor and outdoor environments are fun, exciting, stimulating and safe - promoting children's development and natural curiosity to explore and learn through first-hand experiences. We provide a wide range of activities to meet the needs of your child such as painting, crafts, games, stories, puzzles and ICT. There is time to rest, relax and chat. We also offer a variety of healthy snacks for the children.

PRICES

We open from 8am until 5.30pm and we offer a range of prices within those times, from at £2 - £34. Please contact us for further details.
