LATEST NEWS – November 2018

Road Safety Active Travel Poster Competition to win a New Bike or Scooter

The Swansea Road Safety team is looking for a brand new Active Travel Poster to be designed to encourage as many people as possible to walk, ride or scoot safely to school. The art work needs to be really colourful, fill a portrait style A4 size piece of paper with a cool bilingual title which can then be delivered to all Swansea schools to get the Active Travel message out there.

There are two age categories in this competition for pupils in either Foundation Phase or KS2 classes. Please give posters to your class teacher by Thursday 8th November.

Judging will take place week commencing November 12th 2018. The Road Safety team will then contact the school which the pupils attends to discuss prize giving arrangements. There will be one prize each for the Foundation Phase and KS2 winners. No cash alternative will be offered.

Good Luck!!
Swansea Road Safety Team

Congratulations to Daisy Spatuzzi in Year 2. Daisy has won the Foundation Phase Road Safety Active Travel Poster Competition.
