Acting Headteacher: Mrs. C. Morgan, M.A., B.A., P.G.C.E.,
Grad. Dip. in Professional Development (Education)

4th February 2019

Dear Parents/Carers,

As you may be aware the school categorisation tables were published last week.

Oystermouth has been categorised as a 'yellow school'. This decision has been made by the schools Challenge Advisor, who has made it very clear that this does not represent a drop in standards or concern over the school. The simple reason is when a headteacher leaves, a school is considered more vulnerable and therefore the categorisation changes to allow the school to access more support if needed from the region.

The Governing Body want to reassure you all that we have total confidence in the leadership and management of the school and are very grateful for the continuing efforts and dedication of all the staff. This is an exciting time for the school.

May I take this opportunity to inform you of the forthcoming meeting after school on 20th March, to discuss and answer any questions you may have following our recent Estyn Inspection. This will also be an occasion to thank all parents, carers, grandparents and the wider community who gave up so much of their time to help with maintenance and repairs around the school in the lead up to the inspection and to celebrate the school's successes.

Kind Regards,

Laura Miles

On behalf of the Governing Body
