

Swansea Music Service have now launched E-Swansea Music Clubs which include their 'bitesize' music lessons in three areas; E-Trad Music Clubs, E-Trad 'PlayAlong & SingAlong' Music Clubs and E-Music Genius clubs.

Below is the link to their Swansea Music page on the Swansea Virtual School where you can find the lessons in these three areas. This is just the start and they will be rolling out many more lessons for all instruments and voices in all the grades required.
