### Weekly Welsh

**Bore da pawb!**

Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh Language page on our Website.

This week's pattern asks **Ble wyt ti'n mynd?** Where are you going?

Take your time to watch the film clips before you practice the patterns and make sure that you can remember some of the vocabulary. Practice the patterns with your family or if you are talking to friends online, be brave and ask them: Ble wyt ti'n mynd?

You can listen to the stories, and then perhaps mute the sound and have a go at reading one or two of the phrases yourself.

The story this week finds out how each of the friends travel to school and a story for the Foundation Phase about Ceri a Huw read by Poppy. Our artist of the week is Kathryn le Grice who makes fantastic prints.

We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.

Dear Parents,

Thank you for all your effort supporting the children with their home learning last week. I really enjoyed seeing the children on Teams and hope they all enjoyed the game we played. Thank you once again for the many videos and photographs of the children hard at work and play. It was really lovely to see.

**It is Internet Safety Week this week, and I have uploaded an activity to do with your child to stay safe while using the Internet.**

Here is this week's plan for home learning which I hope your child enjoys completing. It would be lovely to see what the children have been up to this week so please send any photos to me on class dojo. There will be Dojo points available as a reward for completed tasks.

My email address is [raybet5@hwbcymru.net](mailto:raybet5@hwbcymru.net)

**Mrs Raybe**

I hope you and your children are keeping well during these difficult times. Please do not worry if your child does not complete all the Home Learning activities. From personal experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are all here to help!

Please stay safe and healthy!

**Mrs Morgan**
