Here is this week's plan for home learning which I hope your child enjoys completing. Please save any work on Word or PowerPoint (available on Office 365 within Hwb), photos or videos, in the folder called Home Learning 2020 with your name in your OneDrive. Please ensure this folder is shared with me so all work you save in it can be seen by me. Any work done on J2e, should be saved in a file named Home Learning, you do not need to share this folder as I can see your work automatically on J2e. You can also send me photos on Class Dojo. I will be giving Dojo points for completed tasks. If you have any problems, please send a Dojo message or email me.

My email address is morrish57@hwbcymru.net

Have a lovely week and stay safe,

Mrs Morris

I hope you and your children are keeping well during these difficult times. Please do not worry if your child does not complete all the Home Learning activities. From personal experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
