This week our pattern is all about saying what we like using the phrase: Dw i'n hoffi... You can also ask others what they like and say what your favourite is. All of our vocabulary this week is about fruit and the story is about a picnic. We hope that this helps you to support the Welsh that your child is learning and that it is fun to do. Please ensure this folder is shared with me so all work you save in it can be seen by me. Any work done on J2e, should be saved in a file named Home Learning, you do not need to share this folder as I can see your work automatically on J2e. You can also send me photos on Class Dojo. I will be giving Dojo points for completed tasks. If you have any problems, please send a Dojo message or email me.

Have a lovely week and stay safe,

Mrs Morris

I hope you and your children are keeping well during these difficult times. Please do not worry if your child does not complete all the Home Learning activities. From personal experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
