Grad. Dip. in Professional Development (Education)

Weekly Home Learning - Year 2

Week commencing: 8th February 2021

	Maths Activities	Completed
1	Multiplication and Division booklet This week, I have put two booklets in the Numeracy Channel in the files. Please DO NOT worry about completing everything and you can look at them next week too. Some pages are trickier than others, just do what you can, and we can revisit it after half term.	
2	Multiplication and Division This week, I'd like you to complete the mini assessments in the Numeracy file to show me how you have understood this topic. You may need help reading the questions but try the Maths on your own.	
3	MyMaths - Remember to look at lessons before completing the task. Your MyMaths tasks this week are all about telling the time. Don't worry if you find some of them tricky, it takes lots of practise to learn about clocks and time!	
4	Daily Ten <ul style="list-style-type: none">• Scan the QR code or go to https://www.topmarks.co.uk/maths-games/daily10.• Select Level 2 - Multiplication• Try the x2, x5 and x10 tables. Set the timer for 20 seconds. Challenge You could try the mixed tables Daily Ten or Level 5 and 6 "Missing numbers"	
5	Maths Mystery It is Chinese New Year on the 12 th February. Can you solve the mystery in the Numeracy files?	

	Literacy Activities	Completed
1	<p>Man on the Moon</p> <p>Listen to the story again and complete these statements.</p> <p>My favourite part of the story is because</p> <p>The best part of the story is because</p> <p>The funniest part of the story is because</p> <p>The strangest part of the story is because</p> <p>The worst part of the story is because</p>	
2	<p>Can you write a story?</p> <p>The lesson will be on Teams on Monday. I will Dojo when it is available.</p>	
3	<p>Super Spellers</p> <p>How did you get on with your Super Spellers last week? Please look again in your writing for new words this week.</p> <p>You can also use the Spelling section on Reading Eggs.</p> <p>Handwriting</p> <p>It's important that you continue to improve your handwriting, please use the page available in the Literacy file on our team. The whole booklet is also available if you would like to do more.</p>	
4	<p>Read every day.</p> <p>We have access to Reading Eggs for a month. Please use and let me know what you think! Use the login details I sent you on Dojo last week.</p>	
5	<p>Weekly Welsh</p> <p>Bore da pawb! Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh Language page on our Website. This week's pattern asks "Ble wyt ti'n mynd?" (Where are you going?) Take your time to watch the film clips before you practice the patterns and make sure that you can remember some of the vocabulary. Practice the patterns with your family or if you are talking to friends online, be brave and ask them: "Ble wyt ti'n mynd?"</p> <p>You can listen to the stories, and then perhaps mute the sound and have a go at reading one or two of the phrases yourself. The story this week finds out how each of the friends travel to school and a story for the Foundation Phase about Ceri a Huw read by Poppy. Our artist of the week is Kathryn le Grice who makes fantastic prints. We hope that this helps you to support the Welsh that your child is learning and that it is fun to do. Diolch.</p> <p>https://oystermouthprimaryschool.com/welsh-language</p>	

	Topic Activities	Completed
1	Online Safety Tasks Tuesday, 9th February is Safer Internet Day We are doing more online than ever before and it is extremely important we stay safe. Complete the activity in the Topic file on Teams.	
2	From last week. Can you make your own information book about the Solar System? I've put a couple of examples from a previous Year 2 class in the Topic file. They used the Book Creator app on an iPad, but you could use PowerPoint (which is on Office 365 on Hwb). If you are going to handwrite it, take care with your presentation.	
3	Online Check in You will receive an invite so please check your email.	
4	Chinese New Year Watch the film https://www.bbc.co.uk/cbeebies/watch/chinese-new-year I have put some activities in the Topic files. You can choose what you would like to do. There is no need to complete them all.	
5	Health and Wellbeing Make sure you are keeping fit for your role as an astronaut! https://www.youtube.com/user/CosmicKidsYoga PE with Joe Wicks Don't forget you can also walk or cycle with your family.	

Here is this week's plan for home learning which I hope your child enjoys completing. Please save any work on Word or PowerPoint (available on Office 365 within Hwb), photos or videos, in the folder called Home Learning 2021 with your name in your OneDrive. Please ensure this folder is shared with me so all work you save in it can be seen by me. Any work done on J2e, should be saved in a file named Home Learning, you do not need to share this folder as I can see your work automatically on J2e. You can also send me photos on Class Dojo. I will be giving Dojo points for completed tasks. If you have any problems, please send a Dojo message or email me.

My email address is morrish57@hwbcymru.net

Have a lovely week and stay safe,

Mrs Morris

I hope you and your children are keeping well during these difficult times. Please do not worry if your child does not complete all the Home Learning activities. From personal experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
