Dear Parents,

Please see my weekly parent letter on our Y3 Teams page (General sections- files- Parent letters - Spring term 2021 - weekly letter 6th Jan).

Many thanks

Miss Williams

I hope you and your children are keeping safe and healthy in these difficult times. Home learning is not what I had planned for your children this week. Please do not worry if your child does not complete all the activities. From personal experience, I know how hard it can be to encourage your child to work from home. If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as teaching your children. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
