	Literacy Activities	Completed
1	Read every day (fiction and non-fiction)	
	 Use this link to find eBooks https://www.oxfordowl.co.uk or read one of your own books from home. You may need to set up a free account on oxford owl if you would like to use it- ask an adult to help you with this. Use this link to listen to free audible stories 	
	https://stories.audible.com/start-listen (See your Literacy group on Teams - Reading challenge cards - some activities you might like to complete in your own time)	
2	Super Spellers	
	(See your Literacy group on Teams -super spellers 'Spring term folder' week 3)	
	 Practise your spellings either by writing them out 5 times or writing them in sentences. If you don't know the meaning of one of your spellings, look it up in a dictionary or online. 	
	Get an adult or brother/sister to test you on your words at the end of the week.	
	Take a photo and upload it into your OneDrive 'home learning' folder. I can add on your star card points ©

4	Story writing- Writing your own setting description Now that you have looked at some excellent examples of setting descriptions in my video, I'd like you to have a go at writing your own! Look at the 'story setting photos' and choose one of the settings to describe. REMEMBER: tell the reader WHERE and WHEN the story is taking place and use the five senses to describe it!	
	A LITTLE TIP: Try not to use 'I' otherwise it will sound more like a diary than a story setting description. (See Teams- Literacy home learning folder - WC Jan 18 th - story setting photos)	

5	Weekly	Welsh
---	--------	-------

Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh language page on our Website.

Each week there will be a pattern to learn or revise, some vocabulary to go with the pattern and a game to play. There will also be an app for Welsh learners and a story to listen to as well as a snippet of something special. This week it is a lovely picture by local artist Nick Holly.

We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.

I hope you and your children are keeping well during these difficult times. Please do not

worry if your child does not complete all the Home Learning activities. From personal

experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope

you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a

difficult time for everyone with many of you trying to juggle working from home as well as

supporting your children with their activities. We are all here to help!

Please stay safe and healthy!
