You can find this week's sheet by clicking on the link below or going to the Welsh Language page on our Website. This week's pattern links to our work on St David and celebrating our special day on March 1st. Take your time to watch the film clips before you practice the patterns and make sure that you can remember some of the vocabulary. Practice the patterns with your family and say hello and goodbye, please and thank you yn Gymraeg. You can listen to the story, and then perhaps mute the sound and have a go at reading one or two of the phrases yourself. The story this week is all about St David and how we celebrate St David's day in school. We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.</p> <p style="text-align: center;">Diolch</p> <p style="text-align: center;">https://oystermouthprimaryschool.com/welsh-language/</p> <p style="text-align: center;">Don't forget to read every day too!</p>

I hope you and your children are keeping well during these difficult times. We have taken into account your responses to the Home Learning Survey and have reflected on our practice. I hope the changes we have implemented to the KS2 Home Learning are beneficial to you as parents, and more importantly your children.

I have said throughout both lockdowns, please do not worry if your child does not complete all the Home Learning activities. Just encourage your child to do their best. If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their Home Learning activities. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
