	Literacy Activities	Completed
Tuesday	<p>Please WRITE your spellings out once every day in your best joined handwriting on PAPER and then ask someone to test you on Friday.</p> <p>This week is Fair Trade Week.</p> <p>The film below tells you how YOU could change the World by supporting Fair Trade and making small changes.</p> <p>https://schools.fairtrade.org.uk/teaching-resources/change-the-world-through-your-choices/</p> <ol style="list-style-type: none"> 1. Find the Choices and Consequences cards on Teams. Try to match the choice with the consequence. If you have a printer, print them out. If you don't, just match them by pointing. 2. Watch the film again. I liked the idea about putting soft plastic in a bottle. Swansea Council's pink recycling bags do not take soft plastic and all our plastic films and packets go to landfill to be buried in the soil. If you put it in a bottle, at least it won't blow around. Find a plastic bottle and fill it with all the plastic you can't put in the pink bags. Weigh it and record its weight in grams on a Take a picture and email to Mrs. Morgan. Title the email " Y4 Fairtrade Week." MorganC361@hwbcymru.net 	
Wednesday	<p>Spelling on paper then...</p> <p>You can make things from these bottles. Some people call them Ecobricks. They are SO COOL!</p> <p>Listen to the link and read the information.</p> <p>https://www.ecobricks.org/how/</p> <p>If you make the ecobricks properly, (you have to wash and dry the plastic) then you can build structures with them.</p> <p>Listen to the link again and then make a 1-minute film explaining how to make ecobricks and record yourself on a family phone or iPad. Upload to your folder.</p>	
Thursday	<p>Spelling on paper thenMaking plurals</p> <p>Watch these links</p> <p>https://www.bbc.co.uk/bitesize/articles/z3b3n9q</p> <p>https://www.bbc.co.uk/bitesize/topics/zbm2sg/articles/zfqh92p</p> <p>Now look on Teams and do the worksheet. Either download the worksheet to your Y42020 and complete or write the answers on paper.</p>	
Friday	<p>Spelling test - remember to do this on a Word document and save in your folder so I can see it.</p> <p>Bore da pawb</p> <p>Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh Language page on our Website.</p>	

	<p>This week's pattern links to our work on Fairtrade or Masnach Deg and asks Ga i.....? Can I have..... ?</p> <p>Take your time to watch the film clips before you practise the patterns and make sure that you can remember some of the vocabulary. Practise the patterns with your family or perhaps you could set up your own Fairtrade shop and ask Ga i.....?</p> <p>You can listen to the story, and then perhaps mute the sound and have a go at reading one or two of the phrases yourself.</p> <p>The story this week is all about some friends going out to tea in their local pizzeria.</p> <p>We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.</p> <p>Diolch</p> <p>https://oystermouthprimaryschool.com/welsh-language/</p>

Remember Year 4, "Work hard, play hard and do the right thing." Mrs. Fx

I hope you and your children are keeping well during these difficult times. We have taken into account your responses to the Home Learning Survey and have reflected on our practice. I hope the changes we have implemented to the KS2 Home Learning are beneficial to you as parents, and more importantly your children.

I have said throughout both lockdowns, please do not worry if your child does not complete all the Home Learning activities. Just encourage your child to do their best. If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their Home Learning activities. We are all here to help!

Please stay safe and healthy!

Mrs Morgan
