Grad. Dip. in Professional Development (Education)

### Weekly Home Learning - Year 5

Week commencing: 25<sup>th</sup> January 2021

	Maths Activities	Completed
1	<p>This week, we will be revising how to perform short division. Can you have a practice on Topmarks? Challenge yourself by decreasing your allocated time. You can scan this QR code for quick access.</p>  <p>There will also be MyMaths challenges to complete.</p>	
2	<p><b>Revision of the written method for Long Multiplication</b></p> <p>Last week we looked at Long Multiplication, let's see how well you have remembered and understood the topic!</p> <p>Can you complete the worksheet in Teams?</p>	
3	<p><b>Short Division</b></p> <p>This week in Maths, we will start with a recap on how to divide 2 and 3 digits by 1 digit. Some of the questions require place value counters so I have added a sheet to teams for you to count out and use, should you wish. Alternatively, you could use household items, for example, pasta, to help with partitioning.</p> <p>Can you watch the White Rose video and complete the worksheet in teams?</p>	

4	<b>Mars- Take off!</b>  You have another worded Maths challenge this week- Take off! Can you read the text and answer the question? Sheet located in Teams.	
5	<b>Problem Solving Challenge</b>  This week, you have some new 'wordy' Maths problems to challenge you. Can you complete some of the problem solving challenges I have added to Teams? They are in the Mathematics folder in Teams, under "Problem solving".	

	Literacy Activities	Completed
1	<b>Creative Writing- Short Story</b>  Last week, you should have completed your Creative Writing story plan. I hope you all watched the Powerpoint I made as it had many tips on how to become a creative writer. This week, I would like you to complete your draft. It is worth watching the Powerpoint again to remind you of some of the skills I would like to see in your writing. Your story should be no longer than 500 words.	
2	<b>Astronauts Wanted!</b>  The National Astronaut Training Programme (TNATP) are recruiting!  Can you complete the job application form using fictitious personal details? You'll need to complete the Personal Statement and fill it with facts as to why your character would be the perfect candidate. Don't forget to check the job description, It will help you decide what skills you need to be the perfect candidate!	

3	<p><b>Reading Task- Jazz Harper</b></p> <p>I hope you have been enjoying the 'Jazz Harper' story. This week I would like to read Chapter 3 and answer the accompanying questions.</p>	
4	<p>Weekly spelling list is included in the Literacy file in this week's home learning in Teams. Please practise writing these words in your best joined up handwriting.</p>	
5	<p><b>Bore da pawb!</b></p> <p>Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh language page on our Website.</p> <p>This week our pattern is all about saying what we like using the phrase:</p> <p>Dw i'n hoffi...</p> <p>You can also ask others what they like and say what your favourite is. All of our vocabulary this week is about fruit and the story is about a picnic.</p> <p>We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.</p> <p>Diolch</p> <p><a href="https://oystermouthprimaryschool.com/welsh-language/">https://oystermouthprimaryschool.com/welsh-language/</a></p>	

	Topic Activities	Completed
1	<p>Congratulations!! You have been offered the Astronaut position with the T.N.A.T.P. I can now disclose that your first space expedition will be to form the first crew ever to travel to Mars!</p> <p>Before your expedition, we need to send another Mars Rover to the planet to make some final checks. Like the previous missions, landing the Mars Rover safely on the planet without damaging the payload is essential. The payload is the important technology on board the Rover that collects the information to be sent back to earth.</p> <p>Your task is to design, create and test a structure to protect an important payload.</p> <p>There is a design sheet and further information included in the Topic folder in Teams.</p>	
2	<p><b>Mars Reading Comprehension</b></p> <p>Before you embark on your adventure to Mars, you should do some research on "The Red Planet". Read the information sheet in Teams and answer the accompanying questions.</p> <p>Extension- What else can you find out about Mars? Can you undertake independent research and create a fact sheet or Powerpoint full of information?</p>	
3	<p><b>Time to get creative!</b></p> <p>Can you complete some out of this world Artwork? I don't mind if you choose to draw, paint and collage or create a model, it will depend on the resources you have available. You could create your own planet from your creative writing story, you could choose your favourite planet or you could do the whole solar system! I'll look forward to seeing what you come up with!</p> <p>Some ideas....</p> <div data-bbox="132 1818 378 2002" data-label="Image"> </div> <div data-bbox="422 1827 598 2002" data-label="Image"> </div> <div data-bbox="647 1785 847 2002" data-label="Image"> </div> <div data-bbox="909 1789 1094 2002" data-label="Image"> </div> <p>If you are struggling for inspiration, check out Pinterest!</p>	

4	<p><b>PE</b></p> <p>To become an astronaut, you need to be really fit and healthy. Astronauts spend hours in the gym before a mission.</p> <p>NASA have created some short fitness videos to help you train like an astronaut, have a go at a couple;</p> <p><a href="https://www.youtube.com/watch?v=TBUimfBOSBk">https://www.youtube.com/watch?v=TBUimfBOSBk</a> (crew strength training)</p> <p><a href="https://www.youtube.com/watch?v=-iszzmF0Sk&amp;list=PLTUZypZ67cdsQCpAUbfsRN1f01y7tpBk1">https://www.youtube.com/watch?v=-iszzmF0Sk&amp;list=PLTUZypZ67cdsQCpAUbfsRN1f01y7tpBk1</a> (Spacewalk)</p> <p><a href="https://www.youtube.com/watch?v=4ggTyC2e3uo&amp;list=PLTUZypZ67cdsQCpAUbfsRN1f01y7tpBk1&amp;index=3">https://www.youtube.com/watch?v=4ggTyC2e3uo&amp;list=PLTUZypZ67cdsQCpAUbfsRN1f01y7tpBk1&amp;index=3</a> (Core strength)</p>	
5	<div data-bbox="142 862 1351 1176" style="background-color: #0070c0; color: black; padding: 10px; text-align: center;"> <p>KS2 Quiz</p> <p>Friday @ 5- try to join if you can!</p> <p>Code will be sent out via text later in the week.</p> <p><a href="https://www.myquiz.org/">https://www.myquiz.org/</a></p> </div>	

Here is this week's plan for home learning which I hope your child enjoys completing. Please save any work on Word or Powerpoint (Office 365 within Hwb) photos or videos, in the folder called Home Learning 2020 in your OneDrive. Please ensure this folder is shared with me so all work you save in it can be seen by me. Any work done on J2e, should be saved in a file named Home Learning which should then be shared with me.

My email address is [tucketta@hwbcymru.net](mailto:tucketta@hwbcymru.net)

Keep safe,

Mrs Honey

I hope you and your children are keeping well during these difficult times. Please do not worry if your child does not complete all the Home Learning activities. From personal experience, I know how hard it can be to encourage your child to work from home.

All the teachers, including myself, have recorded videos for the children this week. I hope you enjoy them!

If you require any additional support, please let us know. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are all here to help!

Please stay safe and healthy!

**Mrs Morgan**
