Grad. Dip. in Professional Development (Education)

Weekly Home Learning - Year 5

Week commencing: 8th March 2021

	Maths Activities	Completed
Monday	Revision Let's see how much you can remember from last week's topic on improper fractions! Can you complete the revision sheet in Teams? (See Teams - General - 08.03.21 - Maths - Monday)	
Tuesday	White Rose Maths - Compare and order fractions less than 1 Today we are going to look at comparing fractions less than 1. Can you watch the video and complete the accompanying worksheet in Teams? (See Teams - General - 08.03.21 - Maths - Tuesday)	
Wednesday	White Rose Maths Today we are going to look at comparing fractions greater than 1. Can you watch the video and complete the accompanying worksheet in Teams? (See Teams - General - 08.03.21 - Maths - Wednesday)	

Thursday	Know your Mountain! Can you complete the 'Know your Mountain' Maths challenge? It's a fun and practical way to put your Maths skills to the test! (See Teams - General - 08.03.21 - Maths - Thursday)	
Friday	Problem Solving Weekly problem-solving challenges included in the Maths file in Teams. (See Teams - General - 08.03.21 - Maths - Friday)	

	Literacy Activities	Completed
Monday	Reading Comprehension We are going to be learning all about mountains in our topic work this week. Can you gain some extra knowledge on the subject whilst developing your reading comprehension skills? (See Teams - General - 08.03.21 - Literacy-Monday)	
Tuesday	Snowdonia Fact file We are very fortunate to be blessed with many beautiful landscapes here in Wales and our mountains are a wonderful sight to behold. Snowdonia is Wales' top tourist attraction bringing in around 10,000 000 tourists a year. Can you create a fact file on Snowdonia? You will need to research key information like height, weather, terrain and the features of a mountain. I would like you to create an A4 fact sheet which should include text boxes, diagrams, maps and a glossary. This should be done on A4 paper or in Word. Please don't use PowerPoint for this task.	

Wednesday	<p>Diary entry</p> <p>Watch this video on a 12-year-old record breaking mountain climber.</p> <p>https://www.youtube.com/watch?v=hQQ4OGwiHa4</p> <p>Imagine you are on a mountain expedition. It can be any mountain in the world but think about the terrain, weather and features and perhaps do some research to make sure you are accurate.</p> <p>Can you write a diary entry explaining how you were feeling, what you could see and any events that may have taken place?</p>	
Thursday	<p>Spelling and Grammar</p> <p>Weekly spelling is located in the Literacy file in Teams. (See Teams - General - 08.03.21 - Literacy-Thursday)</p>	
Friday	<p>Weekly Welsh</p> <p>Weekly Welsh is happening right across our school. You can find this week's sheet by clicking on the link below or going to the Welsh Language page on our Website.</p> <p>This week's pattern will show you how to ask:</p> <p>Beth wyt ti'n wisgo? (What are you wearing?)</p> <p>and to answer:</p> <p>Dw i'n gwisgo..... (I'm wearing.....).</p> <p>Take your time to watch the film clip before you practice the patterns and make sure that you can remember some of the vocabulary. Practice the patterns with your family and tell everyone what you are wearing.</p> <p>You can listen to the story, and then perhaps mute the sound and have a go at reading one or two of the phrases yourself.</p> <p>The story this week is all about Sam and Serena going shopping for a bargain and meeting a new friend.</p> <p>We hope that this helps you to support the Welsh that your child is learning and that it is fun to do.</p> <p>Diolch</p> <p>https://oystermouthprimaryschool.com/welsh-language/</p>	

	Topic Activities	Completed
1	<p>Mountains</p> <p>As part of you EPIC planning last week, I asked you to tell me 'What makes Wales wonderful'. Thank you for all your ideas and as promised, we will be learning about what you want to learn! Several of you mentioned how you would like to find about the mountains we have here in Wales.... so, we will!</p> <p>Firstly, let's find out about mountains in general.</p> <p>Please watch the PowerPoint and see if you can complete the accompanying task. (See Teams - General - 08.03.21 - Topic)</p>	
2	<p>Features of a mountain</p> <p>Mountains have many different features, from the summit down to the foot. Can you watch the PowerPoint in Teams and have a go at the activity? You will need to label all the key features of a mountain. (See Teams - General - 08.03.21 - Topic)</p>	
3	<p>Art</p> <p>Although not a mountain, as it stands at 190m tall, we have the spectacular Cefn Bryn in Gower. Cefn Bryn is rich in history, artefacts from the Stone Age have been found there! This means that Stone Age people lived in Cefn Bryn over 11,000 years ago.</p> <p>Have a look at the PowerPoint (See Teams - General - 08.03.21 - Topic)</p> <p>I would then like you to read this blog all about some of the Artists who have created paintings of Cefn Bryn. Included is some of their Artwork. I would like you to choose your favourite and try to recreate the image using any art resources you have, paint, pencils, pastels etc.</p>	

4	<p>PTA Fundraiser</p> <p>On Friday 26th March we would like to hold a special day to raise some money for our school. This is a</p> <p>DARE TO BE DIFFERENT DAY!</p> <p>The aim is that you will donate some money to be allowed to do something different in school. Mrs Morgan is going to choose what will be allowed but she needs lots of really good ideas. So please can you put your 5 best ideas on the sheet below and save it to your Home learning folder.</p> <p>Here are some of Mrs Morgan's ideas to get you thinking.....</p> <ul style="list-style-type: none"> · Dye your hair for the day · Wear non uniform for the day · Wear nail varnish for the day · Wear tattoos for the day · Bring an unhealthy snack for breaktime for the day · Have squash in water bottles for the day 	
5	<p>PE</p> <p>Remember to keep both your body and mind active.</p> <p>Enjoy some Yoga for Tweens with Jamie! Available at https://www.youtube.com/watch?v=mz9Qq7vIUfw</p> <p>Take part in a Joe Wicks PE session</p> <p>https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ</p> <p>Guided Meditation</p> <p>https://www.youtube.com/watch?v=kQsp9SchSoE</p>	

Here is this week's plan for home learning which I hope your child enjoys completing. Please save any work on Word or Powerpoint (Office 365 within Hwb) photos or videos, in the folder called Home Learning 2020 in your OneDrive. Please ensure this folder is shared with me so all work you save in it can be seen by me. Any work done on J2e, should be saved in a file named Home Learning. There is no need to share work on J2e as I can see it automatically.

My email address is tucketta@hwbcymru.net

Keep safe,

Mrs Honey

Hopefully, this is your last ever Home Learning letter! Please do not worry if your child does not complete all the Home Learning activities this week. We appreciate that this is a difficult time for everyone with many of you trying to juggle working from home as well as supporting your children with their activities. We are looking forward to seeing all your wonderful children on 15th March.

Mrs Morgan
