

Ambitious, Capable Learners at Oystermouth are ready to be citizens of Wales and the World

I enjoy challenges and
always try my best.

I enjoy solving problems
and ask questions when
I need to.

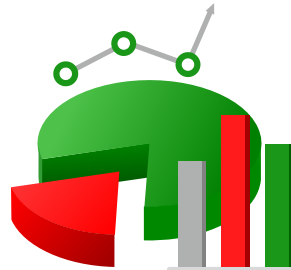

I can tell people
what I am learning
about.

I use numbers in
different ways.

I use number skills to
understand data.

I can speak,
read and write
well in both
English and Welsh.

I use technology to find
information I need.

I can give my own opinion.

I can remember
things I have
learnt.
